

We look forward to welcoming you into a safe and regulation-abiding environment!
Please take note of the following **DOs** and **DO NOTs**:

DO

- Wear a mask at all times (except when partaking of the holy communion)
- Observe good personal hygiene at all times
- Stay in the row that was assigned to you and maintain a 1M distance from those in other rows
- Use the TraceTogether App or Token to tap the SafeEntry Gateway Device to check-in to the venue (you can continue to scan the SafeEntry QR code using the TraceTogether App if you wish to do so)
- Collect your holy communion elements upon entering the hall
- Bring your own hand sanitiser and sanitise your hands immediately before consuming the holy communion elements
- Enter and exit the hall at the designated point

DO NOT

- Gather in groups of more than 5 at any time
- Remove your mask or sing during the service
- Consume food in the church premise at any time
- Move any of the chairs from their original position
- Be face to face with another person when partaking of the holy communion
- Wait for others or socialise within the church premise before and after the service
